Days Five through Seven – Parador Hotel or similar, Manuel Antonio, Costa Rica

The Arenal Volcano is one of many in Costa Rica's geography

DAY 1 – USA / San José, Costa Rica

Depart the USA for San José, Costa Rica. Your journey begins in this historic capital at a delightful casino hotel. Flights should arrive by 4:00pm. There may be time for a swim or massage before the included dinner as your busy schedule eases into Costa Rica's mystical tropical lifestyle. **Meal: D**

DAY 2 – Poás Volcano

En route from San José to the La Fortuna area, visit Poás Volcano, one of the most spectacular volcanoes in Costa Rica. Poás has a long history of large eruptions, first producing a cloud of hot ash five miles high back in 1910, and erupting as recently as 2018! Look down from its mile-wide rim into a gigantic boiling cauldron of steaming geysers. Continue to the Doka Coffee Estate for a tour of the plantation where you learn how this famous product of Costa Rica is produced. Following lunch at the estate, continue to the La Fortuna area, a village ringed by mountains and inhabited by friendly folk whose little shops may offer the perfect memento. Its most well-known 'resident' is the Arenal Volcano. From your hotel you can see its awe-inspiring cone first thing in the morning and the last thing at night. This evening is free to enjoy the rich natural wonders of the resort – beautiful waterfalls, fragrant trails and the natural hot springs. **Meals: B, L**

DAY 3 – Arenal Volcano

There are few places on earth where one can witness the beauty of a volcano in such lush surroundings. During your stay in the Arenal area, not only is this view possible every day from the hotel, but today you have the opportunity to spend the afternoon near the volcano. Enjoy a gentle walk along the base of this magnificent

natural phenomenon as your Tour Manager takes you through the forest, over the lava flows, and to the destroyed area now in the process of regeneration. Upon returning to the hotel, relax in the springs before enjoying an included dinner. With lovely views of the resort's hot springs, lush gardens and Arenal Volcano, this is truly a tropical paradise. **Meals: B, D**

DAY 4 – Caño Negro Wildlife Refuge

While in the Arenal area, enjoy a full day excursion to Caño Negro National Wildlife Refuge, a remote “everglades” type wetlands, teeming with different species of flora, fauna and birdlife. Enjoy a boat ride on the Rio Frio, where you'll have an opportunity to see a plethora of wildlife: snake-birds, heron, comorants, howler, spider and white-faced monkeys, three-toed slothes, basilisk lizards (also known as Jesus Christ lizards), turtles and much more. This unique experience showcases the natural beauty of Costa Rica. A typical lunch is provided during the excursion. **Meals: B, L**

DAY 5 – Arenal area to Manuel Antonio

After breakfast, drive to the Manuel Antonio area, famous for its national park. This tiny yet bustling town is located off Costa Rica's Central Pacific coast, just a stone's throw away from Quepos. The region is a treasure for biodiversity, attracting nature buffs, eco-travelers and adventure seekers alike. Upon arrival, check in to your hotel for three nights accommodations. Dinner is included this evening. **Meals: B, D**

DAY 6 – Jungle Crocodile Safari

Relax on a boat trip along the Tarcoles River located near Carara

National Rain Forest Park. This adventure combines nature with the breathtaking experience of viewing American crocodiles at near proximities. Home to one of the world's largest crocodile populations in the wild, some of these 'local residents' are up to 15-feet long! As your boat ride takes you inside the mangrove canals and along the Tarcoles River, you also have the opportunity to spot many different species of birds, including the rare scarlet macaw, amongst the lush foliage. The afternoon is at leisure. **Meal: B**

DAY 7 – Manuel Antonio National Park

Today's included tour visits nearby Manuel Antonio National Park, the smallest of the parks in Costa Rica but one of the most popular. There is a magic to this park that is hard to explain. Perhaps it's the park's forest, mangroves, lagoons and beach vegetation that supports 109 species of mammals and 184 species of birds (with migrants bringing the bird species to some 270) that make it so amazing. Amongst the inhabitants that can be easily seen are sloths, iguanas, agoutis, armadillos, raccoons, coatimundis and the adorable squirrel monkey. We return to the hotel for an afternoon at leisure before we say goodbye at our farewell dinner. **Meals: B, D**

DAY 8 – Manuel Antonio / San José

After breakfast, your tropical get-away comes to an end as you return to the San José airport for your flight home. Flights should depart after 1:00 p.m. Fond memories of the beauty of Costa Rica and the warm hospitality of its people are sure to be treasured for a lifetime! **Meal: B**
